DATE:  
3/12/15

**PLEASE NOTE :**

1. All platform heights are measured from Top of softfall cover.
2. Fall absorbing ground cover is required under and around all play equipment.
3. The minimum recommended fall zone around the entire playground is shown. This zone is to be free of all tripping or collision hazards (i.e. roots, rocks, border material, etc).
4. Measurements are approximately only.
5. Safety surfacing **MUST NOT** be installed before playground.
6. Drawings are not to scale and indication only.
